DIRECTIONS FOR USE:

Shake well before use.

RATE	VOLUME	CRITICAL COMMENTS
10mL	Per 10 litres of spray solution	Rate depends on spray volume applied. Higher rates may be necessary with lower spray volume, to mark deep green surfaces, or where more persistent marking is required.
100mL	Per 100 litres spray solution	

GENERAL INSTRUCTIONS:

This is a product used for marking vegetation.

MIXING INSTRUCTIONS

To ensure thorough mixing, premix StandOut Bio with water in the ratio of 1:10 before addition to the spray tank or knapsack. Add the premix to the tank first and follow with the rest of the water. After use, be sure to wash out the spray tank thoroughly as the product residue may discolour the spray tank and equipment, and cause discolouration of any subsequent sprays.

PROTECTION OF LIVESTOCK, WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

STORAGE AND DISPOSAL

Store in the closed, original container in a dry, well-ventilated area, as cool as possible out of direct sunlight. Triple-rinse containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on site. If recycling, replace cap and return

clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available, bury the empty packaging 500 mm below the surface in a disposal pit specifically marked and set up for this purpose, clear of waterways, desirable vegetation and tree roots, in compliance with relevant local, state or territory government regulations. Do not burn empty containers or product.

SAFETY DIRECTIONS

Irritating to eyes and skin. Do not breathe vapour or spray. Wear suitable protective clothing, gloves and eye/face protection. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. If swallowed, seek medical advice immediately.

SAFETY DATA SHEET

For further information refer to the Safety Data Sheet (SDS) which is available from the supplier.

FIRST AID

If poisoning occurs, contact a doctor, or Poisons Information Centre (Phone Australia 13 11 26).

NOTICE TO BUYER

To the extent permitted by law, all conditions and warranties and statutory or other rights or action which buyer or any other user may have against Weed Force Pty Ltd ("Weed Force") or Seller are hereby excluded. Weed Force hereby gives Notice to Buyer and other users that it will not accept responsibility for any direct, indirect or consequential loss however arising (including negligence) from the sale, supply, use or application of this product or reliance on product information or advice provided by Weed Force or on its behalf. No warranty expressed or implied is given by Weed Force regarding its suitability or efficiency for any purpose for which it is used by the buyer, whether in accordance with the directions or not. Weed Force's liability shall, in all circumstances, be limited to replacement of the product or a refund of the purchase price paid therefor.
